

AZ:Fuzion is a **hands on leadership development** conference hosted by Christian Challenge. Our desire is for students to engage the culture through service to the community and to develop their leadership IQ's. The projects have consisted of the construction of a city park in El Mirage (2007) and outreach events with two church plants in the Phoenix Metro area (2008). AZ:Fuzion exists to share thoughts on and engage students with **church planting** and to foster partnership between campus and church planting ministries.

AZ:Fuzion 2009 will be in Tucson, AZ and we will be assisting three church plants, City Edge, 1 Focus and Epic, as well as partnering with Trees for Tucson in a community cleanup project.

Dates: April 3-5, 2009 (check-in at 6pm)

Location: Marriott Hotel (880 E. Second St, Tucson)

Cost: \$55 (cost includes program fees, room, meals & t-shirt)
